"Changing lives since 1992"

MACH Academy, Inc. established in April 1992, is a 501 (c) 3 non-profit organization that provides year round classes and camps at the Fleming and Diamond Lakes Tennis Centers, that are public recreation tennis facilities. Programs and Services only focus on teaching the extracurricular skills of the sport of Tennis. Our services are provided in the hours after the customary school day. We hold a chapter membership in the United State Tennis Association / National Junior Tennis and Learning (USTA/NJTL) organization. Our Tennis staff members have been certified by the United States Professional Tennis Association (USPTA) and the Professional Tennis Registry (PTR).

Our programs are open to those ages 5 - 18. We expose participants to the lifetime sport of tennis in a success-oriented and friendly environment. Junior Tennis Clinics, USTA Junior Team Tennis, USTA Sanctioned Junior Tournaments, Tennis Match Play Days, and Summer Tennis Camp are all a part of our offerings. We encourage participants to use the game of tennis to help pave the way for college scholarships.

We also offer specialized programs for adults (Tennis Apprentice) and league play.

Programs and services are provided for children and adults regardless of race, gender, disability, or financial income.
